

## From Gethsemane to Pentecost: A Passion Study

From Gethsemane to Pentecost is an eight-week Bible study for small groups or individuals. Drawing from the study of history, archaeology, literary studies, and the original languages, this in-depth look at the inspired texts of the Gospels and Acts provides a one-of-a-kind walk down the Via Dolorosa, from the Garden of Gethsemane, to Calvary and a borrowed tomb, to the wind and fire of Pentecost. On the way, you will gain both insights into the texts and practical lessons to apply to the Christian life. Elizabeth Danna, PhD, was born and raised near Toronto, Canada, where she still lives. She works for 100 Huntley Street, a large Canadian ministry.

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
