

8 Limbs Of Yoga Exercise

Maharishi Patanjali announced in the Yoga Sutras that yoga exercise has Eight Limbs, as well as that each of these limbs was simply among a progressive series of actions or self-controls which purify the body as well as the thoughts as well as eventually lead anybody who techniques yoga to enlightenment. While the physical aspect of yoga is without uncertainty of value, it is just one of the eight normal aspects of yoga technique, all which have reflection of God as their *raison d'être*

They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
