

The Secrets of Biblical Wisdom: Unleashing the Power of Heavenly Insight in Your Life

Rising Leader Shows Readers How to Harness Spiritual Wisdom for Successful Living When facing life problems, Christians ask God for help, for blessings, for miracles, for intervention. Rarely do they ask for the one thing that can solve the majority of their problems wisdom. While wisdom is valued, it is rarely sought after. It is attributed to Solomon and relegated to Old Testament days. Yet the Bible tells us that wisdom is still calling us today (Proverbs 8:1). Kyle Searcy, respected leader and pastor, has experienced the favor and blessing of wisdom in his own life. Here he shares the secrets to unlocking the power of wisdom, guiding believers along the path of acquiring and harnessing spiritual wisdom. Through personal examples, stories, Scriptures, and biblical examples, he shows how possessing wisdom produces, among other things, favor, special skills, and wealth. Each chapter ends with practical actions to assist readers in pursuing wisdom and enjoying its benefits in their personal situations.

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
