

Familiar Lectures On Botany: Practical, Elementary And Physiological, With An Appendix Containing Descriptions Of The Plants Of The United States And Exotics, Etc. (1837)

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the worlds literature in affordable, high quality, modern editions that are true to the original work.

ElRehim Sayed Aly Prof. of Cytogenetics The Hidden Dangers of Cell Phone Radiation Author: Dr. Magdy Aly The
Hidden Dangers of Cell Phone Radiation Every day, we're swimming in a sea of electromagnetic radiation (EMR)
produced by electrical appliances, power lines, wiring in buildings, and a slew of other technologies that are part of
modern life. From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the
cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a
serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart
and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility
to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine
if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop
an illness? And if so, what can, or rather, shall we do about it. Read more... Main Menu Home PROFILE
