Sowing What You Want to Reap

Life on earth is mostly a time of sowing. Make sure you are sowing what you want to reap in the ages to come. They make a great mistake who force their way, running over other people in order to seize what they desire. They may gain their ends now, but God remembers their works and they will reap untold sorrow in the future. Those who sow love and peace now will reap love and peace now and in the new world of righteousness. Those who sow hatred and discord will reap hatred and discord. And who knows if there will ever be an end to it?

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
