

## Godparenting for Life

You've been asked to be a godparent! This rewarding, lifelong commitment is a very special one that you will share with your godchild. Godparenting for Life identifies ways to be a witness to Christian living, how godparents can support the Christian values of the parents, and gives suggestions for godparenting when you don't live near your godchild. This wonderful resource will help guide you on your journey to being a loving and supportive godparent.

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
