

The Homesteading Wives Christian Devotional: Finding Biblical Truths on the Farm

Are you a homesteader who cant relate to many devotionals out there today and feel a little disconnected from other normal women? Need encouragement from someone whos in your shoes at this very moment? Read on. The Homesteading Wives Christian Devotional is like no other. Trials, blessings and humor from the farm arent what many would call normal life. But, to us, it is our life! Because of our different lifestyle, we can feel somewhat out of touch with other women and yes, sometimes a little bit down on ourselves. There is hope in our nutty lives! Lets bring it to God and see what He has to say about some of the most common problems we struggle with. At the end of each chapter, I have included a specific prayer that pertains to that chapter and, as an added bonus, I have added my favorite homestead recipes and remedies!

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
