

God is calling His Church Vol 3: Bible Study guide

This bible study workbook has been compiled so that you can have an easy to understand home bible study. It is a directed study that is organized for the lay person who needs guidance understanding the simple truths of the bible. It is based on what the bible says and not on my opinions; all scripture is inspired by God. A good friend of mine said if you want to hear the voice of God, just read the scriptures out loud. Too many people want signs and wonders and they want to hear God speak to them. So rather than reading Gods word, they are lead astray by mans opinions. They dont take time to study Gods word. In the most part, the best interpretation of Gods word is simply what it says. Many times just knowing what it says will keep you from being deceived by those false doctrines based on mans opinion. In Colossians 2 many times Paul writes: beware, be not deceived, and dont be taken captive. My intention in the workbook is to focus on what the bible says and then ask guided questions that make you look at what the scriptures say; then asks you to make application to your life.

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more... Main Menu Home PROFILE Curriculum Vitae Professional Career Teaching Honors & Awards References Home Country Genetics Lectures
