

The Valley of the Lost (Deltora Quest (Pb))

Lief, Barda and Jasmine, searching for the seven lost gems of the magic Belt of Deltora, have almost reached their goal. Six gems now gleam in the Belt, but the last must be found before Deltora can be freed from the tyranny of the evil Shadow Lord. The companions have faced many terrors with strength and courage. Now they are about to meet dark mysteries that strength and courage alone cannot defeat. If they fail, their quest will be lost, and they will remain forever trapped in the swirling mists of the Valley of the Lost.

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
