A Place Called Grace: A womans struggle to find it. A Fathers will for her to experience it.

Uncovering the truth is hard enough. Mix in family secrets, lies, betrayal, abandonment, abuse, guilt, shame and the ever-present fear of never being free - the task now becomes an arduous journey... A seemingly random group of ten people are gathered together by the Sovereign hand of God to the Breckenridge Lodge to find the Truth they seek and receive the Grace they so desperately need...

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
