

Son of Shadow Hero of Light

Courage. Compassion. A warm light for all to follow. In a world where playing games on cell phones give people superpowers like flying or teleporting, twelve-year-old Leon can shine light from his hands which is the least useful superpower of the nine. But when he discovers his real ability, he turns his world upside down chasing more and more power. Not only is that devastating for his family, but he also destroys his friendship with his best friend, and then discovers that his real ability is tricking him into following a sinister power. Hell have to give up everything that made him popular in order to do whats right.

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
