

Works or Ergon in relation to the gospel of salvation in the New Testament Scriptures

This Book is part of a series of separately titled Books concerning the gospel of salvation and the kingdom of the God based on the CORNERSTONE teachings of the Lord Jesus Christ and the FOUNDATION teachings of the apostles and prophets. In particular, this Book reveals the teachings of the Lord Jesus Christ and His apostles and prophets concerning the word ERAGON which is translated as WORK(S) in relation to the gospel of salvation and the kingdom of the God. An essential doctrine of the gospel of salvation believed by most Protestant churches is that Salvation is not by WORKS but by GRACE alone and by FAITH alone. This doctrine is based principally on the interpretation of the teaching of Paul in such scriptures as Romans 3:27-28;4:1-6; 9:11; 11:6; Galatians 3:2,3,5,10; Ephesians 2:8-9; Titus 3:5; 2 Timothy 1:9, etc. As revealed in other Books by the Scribe(Book Numbers 2, 7 & 9), the teachings of Paul concerning the gospel of salvation and the kingdom of the God had/have been incorrectly and wrongfully interpreted because theologians and teachers of the Word had/have not based the interpretation of the teachings of Paul on the clear and unambiguous CORNERSTONE teachings of the Lord Jesus Christ. The clear and unambiguous teachings of the Lord Jesus Christ and Paul reveal that the judgement of the God on all mankind will be based on truth and righteousness. The God will judge all mankind through His Son, Jesus Christ the WORKS of everyone whether GOOD or EVIL(John 5:28-29; Romans 2:5-11; 1 Peter 1:17; Revelation 2:23; 20:13). If the judgement of the God on all mankind is based on righteousness and the quality of the WORKS done by each one, whether GOOD or EVIL, HOW IS IT POSSIBLE THAT SALVATION IS NOT BY WORKS BUT BY GRACE ALONE AND FAITH ALONE? The scribe was led

through every scripture in the New Testament that contains the word ergon or work(s) as translated in all major English bibles and also given understanding of the meaning and its contexts and if when it has a relation to the gospel of salvation and the kingdom of the God. The revelation given in the New Testament scriptures totally disprove the doctrine that Salvation is not by works, but by grace alone and by faith alone. The scriptural evidence revealed is so overwhelming to prove the wrongfulness of the doctrine that Salvation is not by works, but by grace alone and by faith alone. In fact only those true believers who have done good works or completed or perfected the works of the Lord Jesus Christ are the ones who will receive everlasting life. All others (believers and unbelievers) who have not done good works or have not perfected the works of the Lord Jesus Christ will be thrown into everlasting fire. This is the first Book to reveal in public the details of the word Ergon or Work(s) as taught by the Lord Jesus Christ and His apostles and prophets in the New Testament Scriptures in relation to the gospel of salvation and the kingdom of the God. The goal of this Book is to reveal the relation between ergon or work(s) and the gospel of salvation and the kingdom of the God, in order that believers may know the truth to set them free from slavery to the sin, so that they can complete or perfect the salvation journey to find everlasting life.
