

# Be Courageous (Luke 14-24): Take Heart from Christ's Example (The BE Series Commentary)

Encounter the ultimate profile in courage! It takes courage to walk out our faith. Courage to stand for what we believe. To set our standards on Biblical truth, not cultural trends. To pursue a life defined by integrity and character. And we find no greater profile in courage than in the life of Christ. This study follows our Savior as he faced opposition, challenged critics, and courageously chose to make the ultimate sacrifice. Part of Dr. Warren W. Wiersbe's best-selling BE commentary series, BE Courageous has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe explores the courageous life of Christ. You'll be encouraged to trust God, and inspired to embrace fearless living.

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
