

## Courteous (On My Honor Series Book 5)

Noah Mansfield has been sleeping in his tent for over a week hoping to get a glimpse of his three-legged wolf friend. Finally, he and Titus have an encounter with her that leaves them awed by her beauty and majesty. Will the trappers kill her too? When Noah is given the chance to go out with the Rangers in search of more traps, he jumps at the chance to right the wrongs done to Wolf. Although the Ranger thinks the trappers have all been caught, they will soon find out that the operation extends further than they realized. Book 5 continues this action-packed adventure! Will Noah tell Titus about his visits from Joseph?

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
