

## GIANT STEPS TO A BETTER TOMORROW

Financial freedom is available to those who learn about it and work for it -Robert Kiyosaki A cold winter, a wet spring, and a hot summer all make a bountiful harvest in dry autumn. There are universal laws that must be followed in the affairs of this world, you must understand these laws and how they function to give the expected end. In order to produce a bountiful harvest, you must first plant good seeds, nurture them properly by weeding and watering, and wait for the harvest time, without following these steps, you will reap poorly Giant steps to a better tomorrow is written to give songs to those who wish to sing. It provides practical tools for wealth creation, wealth expansion, debt management and wealth management/ sustenance that will make your tomorrow a better one. There is no shortcut to success but there are steps one must follow to attain success, success doesnt go about looking for people; people look for success. It is either you make your future happen or you watch your future happen and at the end you will be wondering what happened. The world doesnt wait for anybody, it moves continuously, your future is what is certain to happen someday, how prepared are you?, it is time you wake up and direct the affairs of your life or you watch other people direct it for you. Dont wait. The time will never be just right Napoleon Hill This book is an invaluable pocket manual for wealth seekers, within it is all you need to know to truly gain financial freedom and stability. It is not how to making money that is important anybody can make money, the hardest part is to keep the one you have and multiply it to produce generational income. That is what prosperity is all about. Within it are the practical steps to wealth creation and sustenance; you will find valuable steps to develop your ideas, strengthen your faith and desire, fight off fears, expand your wealth, manage the associated risks and get

rid of your debts. Life is a checkerboard, and the player opposite you is time. If you hesitate before moving or neglect to move promptly, your men will be wiped off the board by time. You are playing against a partner who will not tolerate indecision Napoleon Hill Money doesnt come to those who do not work for it, everything has a process and you must follow the process to succeed. An excuse is just an explanation for failure.

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
