

This is Christmas: Life-Support Dang Near Killed Me Series (Life Support Dang Near Killed Me Book 2)

Too ill to celebrate Christmas, the author tells her true story of how the Christmas Spirit permeated her home, even though she had not done one thing to prepare for the season. She shares what she learned that year, when Christmas came to her whether she was ready or not. Readers will be filled with the magic of the Christmas Spirit and just might see Christmas in a whole new light.

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
