

Quiet Spaces May - August 2016: A Creative Response to Gods Love

Experience a deeper relationship with God by praying the Quiet Spaces way Quiet Spaces is BRFs prayer and spirituality journal. Published three times a year, each edition journeys through up to nine themes drawn from the Bible, spiritual writers, the natural world, the lives of Christians from across the centuries or from Christian spiritual traditions. Each theme is explored in twelve prayerful ways using creative activities, your personal faith experience, poetry, liturgy, reflection, imagining and meditation, helping you into a heart encounter with God. Ideal both for those who have discovered the benefits of reflection, meditation and contemplation and are looking for a resource to guide their periods of quiet and for people coming to reflection and meditation for the first time. Contributors in this issue: Amy Boucher Pye, Lisa Cherrett, Pamela Evans, John Fitzmaurice, Claire Musters, Ann Persson, Jean Sims, Andrea Skevington, Sally Smith

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
