

Groups: The Life-Giving Power of Community (Pursuing Spiritual Transformation)

Community is God's idea. Only in community can we know and be known, love and be loved, celebrate others and be celebrated by them. And only through close, transparent relationships can we be transformed as individuals. Groups invites you to enjoy the rewards--and embrace the risks--of community. Step by step, this study will challenge and encourage you to explore the amazing potential for growth found in authentic relationships. You'll study the true nature of friendship. The power of paying attention. The path to intimacy. The encouragement of being for one another. You'll learn what it means to live out these and other simple but vital truths for being all you are, giving all you've got, and receiving all you need as a member of God's dynamic community, the church. Leaders guide included! Groups group sessions are: This Is a Friendship Love Pays Attention Knowing and Being Known When Community Breaks Down Forgiveness Building a Passionately Inclusive Church Being For One Another

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
