

Bionic Agent: Jordan Stryker (Book 1)

Jordan Stryker owes his life to Unit Red, after they saved him from near death and rebuilt him with cutting-edge science. Now a Unit Red Agent with unbelievable powers, Jordan is on a mission: to track down a cyber-terrorist who's destroying systems and causing death and devastation all over the globe. But now the super-hacker has a new target - Jordan himself - and soon Jordan is in a battle to stay alive. And it seems like the very technology that saved him might now be used to destroy him... An action-packed thriller in which nothing is too precious to be destroyed. - Lovereading4kids Shortlisted Rotherham Childrens Book Award 2011

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
