

Francis and Leo (The Francis Series Book 1)

The first book in the Francis Series, Francis and Leo shares the lessons of St. Francis of Assisi and asks us to examine what we can do to live the Gospels. Join Francis and his friend, Leo, as they travel from town to town teaching others how to live like Jesus. Find out what happens when they meet a sick man, an angry blacksmith, an old woman, fallen birds and a hungry boy. Inspired by the life of St. Francis of Assisi, these black and white, hand illustrated stories are a starting point for talking about how to live like Jesus taught! Join Francis and his friends as they learn lessons on love, friendship and acceptance!

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
