

The Gospel According To John 11-21 (Volume 2): A unique verse-by-verse study of the Bible (Delighting In Gods Word)

This is a workbook/devotional that allows the reader to answer questions about the Bible as they study it verse by verse. God has given every believer in Jesus Christ two powerful tools with which to do His work on Earth: the Bible and the ability to pray (Ephesians 6:17-19). It is these tools that are also the most neglected by these same believers. These studies are meant to perform the following functions: 1. To foster a habit of regular Bible reading 2. To create an environment of consistent Bible study 3. To expose the reader to helpful study tools 4. To explain difficult Bible passages and words 5. To encourage the reader to think about the words of the scriptures Through these studies, the believer will grow closer to their Father in Heaven. Not because anything magical exists about these lessons, but because Gods Word works in us when we seek to learn about Him (Isaiah 55:11; Hebrews 4:12). Please enjoy walking with the Lord Jesus Christ verse-by-verse as you learn about Him and His doctrine in the last eleven chapters of the Gospel According To John.

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
