

True Bible Study - First And Second Peter

As one of a series of outstanding studies into the truth of the Word of God, this book First and Second Peter provides details of two letters that the Apostle Peter wrote to Christians. The Study Guide and New Translation from the Critical Greek Texts and Papyri are filled with the details and background of every chapter and verse of Peters teaching by feeding the flock with Gods Word and prophecy regarding the heavens and the earth. This book should help anyone wanting to learn the depths of First and Second Peter. The layperson can use the Study Guide as reference when reading any popular version of the Bible, including the King James Version. For the Biblical student and researcher, the Study Guide to First and Second Peter should serve very well as a primary source of Biblical research, reference, and Bible commentary. For the teacher and the preacher, the material should prove more than adequate in the preparation of accurate and detailed Bible Lessons and Sermons.

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
