

The People Paul Admired: The House Church Leaders of the New Testament (House of Prisca & Aquila)

Where did the old social barriers break down at the coming of Christianity? In homes. Where did practice join theology to break down the division between rich and poor or Jew and Greek, so that they ate together? In the hospitality of house church hosts and hostesses. What happened to the barrier between slave and free? Gone when they prayed together. The intense reserve between men and women? Dissolved as hosts and hostesses served the friends who entered their door. Paul saw this, admired and praised the house church leaders, and planned on homes to grow the gospel.

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
