

The Valley of Achor (Classic Reprint)

The valley of Achor for a door of hope. Hosea ii. 15. How strange the arrangement, that the day should rise from the bosom of night! Yet more astonishing how grace brings light out of darkness, joy out of sorrow, and hope out of trouble. Nothing seems more clearly written upon the workings of providence, and the economy of grace, than the scripture truth, God sways are not as our ways, nor his thoughts, as our thoughts. From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
