

The Wow of His Word: God's Amazing Handbook for Happiness

The Wow of His Word answers tough questions about Christianity and the Bible while explaining why the Bible is the handbook for happiness. While sharing her own spiritual journey, the author shares fascinating stories of martyrs, missionaries, reformed atheists, revivals, and miraculous healings that will spark faith in unbelievers and rekindle that of believers.

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
