

Angels Watching Over Us (Roma Downey's Little Angels Series)

From executive producer Roma Downey comes a new faith-affirming brand created just for preschoolers. Little Angels is a faith-based series created just for preschoolers that focuses on eight Little Angels who are guardians, teachers, and companions to twins Alex and Zoe. Throughout each story, children will learn practical lessons, values, and biblical truths in an engaging and appealing manner. In Angels Watching Over Us, the Little Angels are introduced. They explain that their job is to protect and guide Alex and Zoe and to show them God's great love and care. As the Little Angels witness Alex and Zoe squabbling over whether to swing or play ball, Michael appears to explain the concept of cooperation. Soon the twins learn that they can each have more fun if they learn to work and play together. Ages 3-6.

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
