

# Soulwinning

Soulwinning is the energizing, ennobling life. We have put into practice the truths shared in this book. For well over a half-century in more than eighty nations, we have communicated the good news publicly, out where the people are, addressing audiences of 20,000 to 300,000 people. Discover the secret, the pleasure, the exhilaration of sharing Gods love in a hurting world. Experience new self-esteem. Winning others, you truly win Christ. Enriching people, your own life is enriched. -T.L. Osborn I am convinced this is the finest book that my father has yet authored. As a world evangelist, a teacher, a pastor, and a bishop, I know of no other literary work that brings such biblical focus to pastors and leaders, and such practical insight and uplifting self-esteem to Christian believers. This book has changed the world, lifting the laity from the gallery of spectators to the arena of action, revealing dignity and purpose for living. No wonder ministers call it A Classic on Biblical Christianity. -LaDonna Osborn

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
