

The Christmas Guest

If Jesus promised to spend Christmas with you, how would you prepare? And when needy neighbors interrupted your preparations, how would you react? The hero in this classic story of delight and despair, sacrifice and celebration shows us the beauty of a life where Jesus is not just a guest in the home, but a resident in the heart. American icon Andy Griffith brings new life to this timeless tale. Included in the back cover of the book is a CD which has a narrative of the story by Andy Griffith. This special CD also features Andy singing *Go Tell It On The Mountain*, from his latest Christmas album.

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
