

Preaching Paul Preaching: An Introduction to the Pauline Letters

The thesis of the nonfiction work is that the Saul/Paul of the New Testament epistles was first and foremost a preacher and only secondarily a theologian or apologist. All of Pauls letters contain lengthy passages of exhortation which are the main point of the letters.

They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
