

Race for the Secret Code (Parker Twins Series Book 6)

RACE FOR THE SECRET CODE: Book #6 of the Parker Twins Series Justin and Jenny Parker thought theyd been through it all, until their father is accused of selling vital defense information to a Middle Eastern terrorist. As the twins scramble frantically to prove their fathers innocence, they must answer the question: Do even the best of motives justify telling a lie? * Page turning, action-packed adventure. These books are cool! Bill Myers, author of Forbidden Doors I never knew what was going to happen. I kept leaning forward as I read, waiting to turn the page. Jonathan, age 13 About the Author Jeanette Windle grew up daughter of American missionaries in South America, where she canoed in jungle rivers, hiked the steep Andes trails, and swung from vines off cliffs into mountain pools. She has since lived in six countries and traveled in more than thirty. Her experiences have birthed eight YA novels, including the Parker Twins Series, and seven adult international intrigue novels, including bestselling Veiled Freedom, Freedoms Stand, and Congo Dawn.

From the dishwasher and microwave oven in the kitchen and the clock radio next to your bed, to the cellular phone you hold to your ear—sometimes for hours each day—exposure to EMR is growing and becoming a serious health threat. Read more... Genetics of Cancer Author: Dr. Magdy Aly Genetics of Cancer Genes are the heart and brain of our development. They dictate the color of our eyes, our complexion and most certainly our susceptibility to develop certain illnesses, among which, Cancer is one that we are most concerned about. Is there a way to determine if we are predisposed and carry a higher risk of developing certain cancers? Can we predict at what age we may develop an illness? And if so, what can, or rather, shall we do about it. Read more...
